

Technical Specification | Cleaner **DrainKleen® one shot**

Part No: 2460

ASPEN-4/09

Size:

Volume:	250ml
Length:	22.5mm
Height:	18mm
Depth:	20.5mm

Pack quantity: 12

Application:

- Condensate Drain Cleaner

Other features:

- Soils: Organic obstruction, Rust deposits, Limescale
- No dilution required
- Contact period 5 minutes
- Rinse/flush is required
- Higher specific gravity than water, will search out blocked traps
- Contains special inhibitors which control the cleaning action, making it safe to use on most metal, concrete and plastic surfaces.
- Ideal for use in a planned preventative maintenance programme.

Directions for use*:

Remove excess water from condensate tray, and condensate drain, if possible. Gently squeeze DrainKleen® one shot into the tray and allow it to enter the drain. Allow DrainKleen® one shot to remain in condensate tray and drain for five minutes or until obstruction is cleared. Flush out with fresh water for 2-3 minutes. Repeat as necessary until obstruction is cleared.

	DrainKleen® one shot UN1824 Corrosive Contains: Sodium Hydroxide
R35: Causes severe burns. S1/2: Keep locked up and out of the reach of children. S26: In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. S36/37/39: Wear suitable protective clothing, gloves and eye / face protection. S45: In case of accident or if you feel unwell, seek medical advice immediately (show the label where possible).	

* This product should only be used by trained operatives. The "directions for use" are recommendations only; correct use will depend upon circumstances.

DrainKleen® one shot has been formulated specifically to clear organic blockages found in condensate drains within air conditioning and refrigeration units.

It is a powerful and effective liquid drain cleaner which is the perfect size to treat a single condensate drain. The unique "swan neck" spout of the dispenser bottle allows for easy application of the product in awkward to reach condensate drains.

Only Advanced Engineering's indoor range of Coil Cleaners and condensate drain clean are approved 'pump safe' by Aspen Pumps.
